

Michael McGrattan, MD

GENERAL SURGEON

Accepting new patients

Dr. Michael McGrattan, a Dryden native, graduated from Rensselaer Polytechnic Institute in 2008 and received his medical degree from SUNY Upstate Medical University. He completed his general surgery residency at SUNY Upstate Medical University where he served as an administrative chief resident. After completing his residency, Dr. McGrattan stayed in Syracuse to practice as a general surgeon in the Department of Surgery at SUNY Upstate Medical University as a Clinical Assistant Professor. His clinical interests involve all aspects of general and minimally invasive surgery. Outside of work, he enjoys the outdoors and spending time with his family.
